SCHOLARSHIP APPLICATION TEACH SOCIAL SILICON VALLEY (TSSV)

Scholarship funds are available from TSSV due to a generous donation from a private foundation. The funding is available based on "need" for both children and adults with social learning differences. These funds may be used to obtain Social Thinking services within Silicon Valley. Applications will be reviewed within one week of submission and individuals or families will be notified by phone or email. No monies will be sent directly to the family, but instead will be used to pay for services at the therapy center. Funds will be given in the form of a 25%, 50% or 75% fee reduction. You must reapply each session.
